

Cultural Immersion Service Learning in Public Health Nursing

This study abroad opportunity funded by a grant from the Fund for the Improvement of Post Secondary Education (FIPSE) will be available to baccalaureate nursing students in Spring 2012, and will be offered in combination with the 3 credit online course - Cultural Immersion Service Learning in Public Health Nursing.

The travel abroad related to this project will include opportunity to study in either Mexico or Canada during mid May through June of 2012. Students travelling to Mexico will have to meet a language requirement. This is a fully funded student exchange program. Four-to-six BSN students in the junior year will be selected to participate in the exchange.

Information sessions about how to apply for travel and to register for the course will be held in October. The exact date and location for these sessions will be announced soon. All applications are due by November 14, 2011. For more information and to apply for the program, use the following link: www.nursing.umn.edu/FIPSE.

We look forward to reviewing your applications.
