You may qualify for a $20,000 scholarship!

New Scholarships for Doctor of Nursing Practice Students

When you apply to the Doctor of Nursing Practice (DNP) program at the University of Minnesota, you will be automatically considered for one of up to 40 new $20,000 scholarships to be awarded in 2016. If selected, the one-time scholarship will be disbursed over the course of your post-baccalaureate DNP education.

Details
• Applications for admission submitted by the Nov. 1, 2015 priority deadline will have scholarship priority
• Applicants must be pursuing their first advanced nursing practice degree
• Applicants must plan to complete the three-year program full time
• Applicants with an expressed plan to practice with underserved populations and/or in rural communities preferred
• Recipients will be notified of their scholarship award at the time of acceptance to the DNP program and specialty

Other Scholarships
Once admitted, students may apply for other School of Nursing scholarships by submitting a scholarship application between March 1 and May 1, 2016.
