COVID-19 Resources

May 5, 2020

On behalf of the Minnesota Department of Health, we would like to share some resources that you may find useful in coping with the COVID-19 pandemic. Please feel free to share this information.

Wendy Looman, Center Director

**Hot off the Press:**

The Minnesota Children’s Cabinet created an extensive summary document of various resources to support children and their families during the COVID-19 pandemic, including families with special health needs.

The CDC updated their FAQs page with information specific to children and youth with special healthcare needs, including whether CYSHN are at greater risk for severe illness from COVID-19 and what to do if someone in your household gets sick.

**COVID-19 Web Resource Highlight**

Disability Hub MN is a one-stop shop for disability-focused coronavirus resources and live chat and phone support.
